ARTIST STATEMENT

I'm a multidisciplinary artist, event curator, and community builder based in NYC. I use art, music, and performance to bring people together and tell meaningful stories. With a background in AV tech and live events, I create spaces that feel intentional, joyful, and real. My work centers BIPOC, queer, and emerging voices, and I believe art is a powerful way to connect, resist, and heal.

EXHIBITIONS & CURATORIAL PROJECTS

Brooklyn Art Meetup – Founder & Lead Curator
Maria Hernandez Park, Brooklyn, NY | May 2025, July 2025
Community-powered creative gathering featuring live painting, spoken word, music, and open-call artist showcases. Secured permits, coordinated over 25 performers, and designed all visual branding.
